## LIVE THE LITURGY

INSPIRATION FOR THE WEEK

*While we have to be cognizant of our societal and personal responsibilities in this world, we can never lose sight of where our true citizenship lies—heaven. When we become too immersed in earthly things and too preoccupied with our temporal responsibilities, we can actually become numb to our faith. Becoming ambivalent about our faith, our belief in Jesus Christ and the promises of heaven become more a source of agitation rather than a source of promise and hope. It is easy to become an enemy of Christ without even knowing it is happening.* God has given us a very clear destiny. *We are definitely not meant to conform ourselves to this world but to the transfiguration and glorification of our bodies to come.* It is here where we can see clearly not only who God is but who we are. *The way many conduct the daily business of their lives suggests that such a promise or hope is of little importance. What does the way you live your daily life say about you?*

## Every Friday During Lent at 7:00 pm!

*The path of Christ from Pontius Pilate's praetorium to Christ's tomb, known as the Station of the Cross has always been a popular devotion among Catholics for many generations.*

*Today, this is a popular processional route in the Old City of Jerusalem. It represents the path that Jesus would have taken, forced by the Roman soldiers, on the way to His crucifixion. In the 16th Century it was officially entitled the "Via Dolorosa" (Sorrowful Way) or simply the Way of the Cross.*

*Prayerfully consider joining Fr. Joe this Season of Lent as he leads us in praying "The Stations of the Cross," beginning at 7:00 pm in the Church every Friday.*

**Father Joe had the honor and joy of baptizing *Bennett Bradley Smid* on Saturday, March 5th.**

*We welcome Bennett and Congratulate his parents, Rachel and Ryan!*

## JUST ADORE

***Do you ever run out of things to say during your prayer time? Or worse, do you ever get weary of saying the same things over and over?*** Why not just sit in silent adoration of the One who loves you more than you can imagine? ***What words can be better or more appropriate than that?***

## THE RESURRECTION AND SPIRITUAL HANGRINESS

*I want to talk about being hangry. I'll give you a quick description of hangriness, though I warn you, it doesn't come from the Oxford English Dictionary. **Hangriness is when you're so hungry you get angry.** You turn into a real piece of work. You can't get anything done and you're probably not a joy to be around, at least until you grab a snack. **Everybody gets this way sometimes.***

I'M SO  
hangry

***We can be this way in our souls, too. It's so easy to get distracted by the hungers of this world: greed, pride, anxiety. We can become ruled by the needs of our bodies and the desires of our mind and, in doing so, neglect the needs and the desires of our souls.***

***Everyday stewardship calls us to a constant reflection on the truth that we are not made for this world, as Christ clearly shows us in His Transfiguration.** He reveals Himself in His heavenly glory, just before He is going to be deprived of all earthly needs and wants—even His very life. **Jesus shows us that this is what we were meant for. This is what we are striving for.***

***Lent exists to remind us that we are not made for this world. When you become spiritually hangry—or as Scripture more eloquently puts it this week, when your mind is "occupied with earthly things"—turn your thoughts to the Transfiguration.** I promise you, it's even better than grabbing an energy bar.*

Abe, an elderly Jewish man, had just moved to a new town, when he became ill, so went to see a doctor.

In the waiting room, Abe tried to learn a little about the doctor and asked the man sitting next to him if the doctor was a specialist. The man replied that the doctor was a great one and specialized in almost everything. As Abe thought about this, he got nervous and asked if the fees are expensive.

The man replied, "Yes and no. You see he charges one thousand dollars for the first visit. But after that, all your visits are free for your whole lifetime!" Abe perspired a little and said "a thousand bucks?" Just then, the nurse called Abe to go in and see the doctor.

Entering the exam room, Abe casually says, "How you doing Doc? I'm back again."

IF POSSIBLE,  
ON YOUR PART,  
LIVE AT PEACE  
WITH ALL.
