Why Go To Church?

A church goer wrote a letter to the editor of a newspaper and complained that it made no sense to go to church every Sunday. I've gone for 30 years now," he wrote, "and in that time I've heard something like 3,000 homilies. But for the life of me, I can't remember a single one of them. So, I think I'm wasting my time and the priests are wasting theirs by giving homilies at all."

This started a real controversy in the "Letters to the Editor" column, much to the delight of the editor. It went on for weeks until someone wrote this clincher:

"I've been married for 30 years now. In that time, my wife has cooked some 32,000 meals. But, for the life of me, I cannot recall the entire menu for a single one of those meals. But I do know this. They all nourished me and gave me the strength I needed to do my work. If my wife had not given me these meals, I would be physically dead today. Likewise, if I had not gone to Mass for nourishment, I would be spiritually dead today!"

Always remember that when you are DOWN to nothing, God is UP to something! Faith sees the invisible, believes the incredible and receives the impossible!

Attention Taffy Apple Lovers!

What are the yummiest brand of taffy apples?

Affy Tapple of Course!

These delicious apples are coming directly to our Church steps to be purchased by You!

**After all Masses on the weekend of
September 24th & 25th a student from our
7th - 8th grade Faith Formation Class will
be at the front entrance of the Church selling
these delicious Taffy apples for \$3.00 each.**

All profits from the sale will benefit our Faith Formation program and our new Youth Group "Rooted!"

Will You Help?

It is the Year of the Eucharist and we need parishioners to be members of our Adoration Team. Every weekend, the Blessed Sacrament is exposed for Adoration and someone must always be present. Unfortunately, due to medical treatments and another unforeseen circumstance, we have two vacancies that must be filled for this important ministry to continue. **The two time slots are 8:00 pm and 9:00 pm every Saturday. If you are available and happy to spend one hour with our Lord, during either of those times, please call Carrie Shannon at 815-687-6734 or Fr. Joe at the Parish Office.**

Watch with Me, be at My side, do not leave Me Alone.

AMERICA NEEDS
FATIMA.

On August 14, *The Atlantic* published a blasphemous article by Daniel Panneton titled, "How Extremist Gun Culture Is Trying to Co-Opt the Rosary." In it, he tries to portray the sacramental, first promoted by Saint Dominic, as an extremist far-right symbol that poses a violent threat to society. Here are some of the things the author said in his article:

- Attacking those who faithfully recite the Rosary in reparation for sin, he stated that "armed radical traditionalists have taken up a spiritual notion that the rosary can be a weapon in the fight against evil and turned it into something dangerously literal."
- He considers the Rosary a tool that radical-traditional Catholics use to "literally demonize their political opponents and regard the use of armed force against them as sanctified."
- He openly links the sacramental to "conspiratorial politics and absolutist gun culture."

These attacks are offensive to faithful Catholics who devoutly pray the Rosary, but they also distort the nature of the holy Rosary itself! He blasphemously reduces the Rosary to a good luck charm appropriated by an extremist fringe.

What can we do? Let's pray the rosary more often and with even greater devotion and reverence than ever before!

MISSIONARY COOPERATION PLAN

The Church, of which we are an important part, is bigger than most people realize. And when we share in missionary efforts taking place around the world, we are doing what Christ commanded us to do and are helping “make disciples of all nations.” That is why, every year, our St. Peter Community is glad to participate in the Diocesan Missionary Cooperation Plan by prayerfully and financially supporting a priest from another country. ***Next weekend, we will be welcoming Fr. Augustine Kipkemei from the Diocese of Nakuru in Kenya. His diocese covers over 6,800 square miles and the people living there face many challenges such as illiteracy, cattle rustling, insecurity, outdated cultural practices like child marriages and female genital mutilation. There is little infrastructure to speak of and there is a great need for schools and hospitals. And we must not forget a high dependency on relief food because of a drought.***

In keeping his promise to our parishioners, Msgr. Joe has told Fr. Kipkemei that in lieu of a second collection, half of next weekend's offertory collection will be given to his mission office.

Our shared money will help:

- Dig shallow wells to supply safe and clean water
- Install sanitation systems to mitigate against infections of the most vulnerable
- Provide medicine and health education to the poor and malnourished
- Provide relief food, and support a school feeding program of up to 500 children

Fr. Kipkemei is eager to tell us about his ministry and express the heartfelt gratitude of the people of Nakuru! If you would like to give a separate gift, you are welcome to do so and it will be in addition to St. Peter's donation. Your charitable gift is tax deductible, so kindly make your check payable to St. Peter Church and write **Kenya** in the memo. Seal it in a plain envelope marked **Kenya**, and place it in the collection basket.

When you meet Fr. Kipkemei, be sure to welcome him in Monsignor's absence and thank him for allowing us to support the important work he does!

A successful lawyer, from downtown Chicago, went duck hunting in Carroll County, Illinois. He shot and dropped a duck, but it fell into a farmer's field on the other side of a fence. As the lawyer climbed over the fence, an elderly farmer drove up on his tractor and asked him what he was doing.

The attorney responded, "I shot a duck and it fell in this field, and now I'm going to retrieve it." The old farmer replied, "This is my property and you are not coming over here."

The indignant lawyer said, "I am one of the best trial lawyers in Illinois, and if you don't let me get that duck, I'll sue you and take everything you own!"

The old farmer smiled and said, "Apparently, you don't know how we settle disputes along the mighty Mississippi." We settle small disagreements like this with the "Three Kick Rule."

The lawyer asked, "What is the Three Kick Rule?"

The farmer replied, "Well, because the dispute occurs on my land, I get to go first. I kick you three times and then you kick me three times. We keep going back and forth until someone gives in."

(Joke Continued)

The lawyer quickly thought about the proposed contest and decided that he could easily take the old codger. He agreed to abide by the local custom.

The old farmer slowly climbed down from the tractor and walked up to the attorney. His first kick planted the toe of his heavy steel-toed work boot just below the lawyer's belly and dropped him to his knees!

His second kick sent the lawyer's breakfast gushing from his mouth. The lawyer was on all fours when the farmer's third kick to his rear end, sent him face first into the mud.

Summoning every bit of his will and remaining strength, the lawyer very slowly managed to get to his feet. Wiping his face with the arm of his jacket, he said, "Okay, you old geezer, now it's my turn."

The old farmer smiled and said, "Nah, I give up. You can have the duck."
